

## Aspire to Inspire (Education, Training and Speaking Opportunities)

*“Only by giving are you able to receive more than you already have.” – Jim Rohn*

There is nothing more attractive or gratifying than helping someone be successful.

*Generosity Wins* is a simple, nontraditional formula for success. With our new definition of generosity, being generous every day in limitless ways is accessible to everyone. Helping others find their way to this powerful message and action plan will take collaboration. Join us!

If you believe that generosity wins, and would like to educate, train, or speak publicly with or about our content, we would love to help. Not only are all the resources included on our website available for use, but we welcome your ideas and partnership.
